Sports and Enrichment Camps

Open to Wilson Hall students and the surrounding schools

Welcome to Wilson Hall's summer program, Above and Beyond! For the summer of 2019 we have planned a program that continues our most popular camps while adding a variety of new programs. We hope that we have designed summer opportunities that meet a broad spectrum of interests. Our goal is to offer campers a fun and caring environment where they can discover new talents, enhance present skills, and allow friendships to flourish. We also hope that camps reach Above and Beyond expectations you have for an unbelievable summer. Whether you are a Baron, a visitor to the Sumter area, or a student from another school, please join us. We'll be waiting for you!
