## Cutler & Jackson Equestrian State Champions

Coker Cutler '23 and Josie Jackson '25 won blue ribbons and the equestrian team won a total of nine ribbons at the S.C. Independent School Association Hunt Seat Equestrian State Championship held at Tally Ho in Timmonsville. Coker won the varsity open equitation on the flat and she placed second in varsity open equitation over fences, and Josie won intermediate equitation on the flat and placed second in intermediate equitation over fences. The following also received ribbons: Karsen Jones '29 - 2nd in beginner equitation on the flat (walk/trot); Elizabeth Busch '24 - 4th in intermediate equitation over fences; Emmi Leard '24 - 4th in intermediate equitation on the flat and 5th in intermediate equitation over fences; and Addy Burleson '30 - 5th in beginner equitation on the flat (walk/trot). Ms. Cali Bowman is the team's coach and she is assisted by Mrs. Mindy Busch.

## GEICO Insurance Faculty Award

In appreciation of the faculty, Mr. Roger Armfield, GEICO Insurance Agent, created a monthly award of \$100 to a teacher for classroom enhancement. Each teacher has his or her name entered for the random drawing that takes place at a faculty meeting. The recipient for April was Mrs. Louise Shaw Dixon '78, a fourth-grade teacher, and the May recipient was Mrs. Brittany Huckeba, a first-grade teacher.

## Simmons's Art to Hang in U.S. Capitol

Mathew Simmons '25 won the Congressional Art Competition and his artwork, a charcoal drawing of an elephant titled "Majesty," will hang in the United States Capitol to represent the 5th Congressional District of South Carolina. Each spring a nation-wide high school arts competition is sponsored by the members of the U.S. House of Representatives. This competition, open to high school students, is an opportunity to recognize and encourage the artistic talent in the nation. The over-all winner of each district's competition will be displayed for one year in the U.S. Capitol. Mathew is a student in the Drawing III class taught by Mrs. Tara Schumacher.

Nathan Owens '23 placed third in the competition, and the following students received an honorable mention: Ashley-Reid Baker '23, Elizabeth Busch '24, Tilan Byrd '25, Anna Kate Coker '25, Mackenzie Helms '24, Emmi Leard '24, Zoe Miller '23, Logan Schumacher '25, Sophie Sweatman '25, Anika Tarpen '26 and Mary Ellen Thorne '26.

## SENIOR SERVICE PROJECT

Coordinated through the City of Sumter as part of its community clean-up program, the 66 members of the Senior Class picked up trash in four locations in Sumter for a service project during the school day on April 21. The groups collected trash along Broad Street, Loring Mill Road, McCray's Mill Road and Wesmark Boulevard. Prior to boarding buses for the different locations, students met on campus for a breakfast provided by parent volunteers. Once they returned to campus, the seniors cleaned the school's buses. Mrs. Day Caughman and Mr. Glen Rector coordinated the project.

*Hunter White '35 displays the illustration he created of the life cycle phases of a butterfly as a STEAM project. Students watched as the caterpillars formed cocoons before emerging into butterflies, and after their wings dried they were released on campus. Students illustrated the life cycle's phases, enjoying special snacks representing each of the phases.*

## Military Kids Celebrated

As part of the Month of the Military Child, Wilson Hall commemorated "Purple Up! For Military Kids" on April 19 as students and faculty wore purple to show support for military children. On the hallway bulletin boards were world maps with pin drops of all the places the students have lived while their parents have served the country; they have lived in 10 countries and 30 states. Approximately 20% of the student body is associated with the military. Mrs. Renee Norton, lower school art teacher, led students in art projects dedicated to children of the military and she created multiple bulletin board displays of our students' art work. Mrs. Day Caughman, School Counselor, coordinated the project.

*Slade Custer '24, Campbell Bauman '23, Lori Flemming '23 & Mrs. Emily Jackson, Spanish teacher, wear purple to support military kids.*

## Lower School Chorus Concert

Directed by *Mrs. Julia Sims-Owens*, the Lower School Chorus performed a spring concert in the Founders Chapel on May 2. The concert featured songs from around the world, opening with the Liberian folk song "Banuwa Yo," and concluding with the Hebrew "Shalom." Other international numbers included the classic Irish song "Danny Boy" and "Amigos" which was performed

in English, Spanish, French and American Sign Language. The upbeat "Catch the Rhythm" and the anthem "Always Sing Your Song" rounded out the program. Composed of fourth and fifth grade students who audition to become a member, the chorus is an extracurricular activity that rehearses after school once a week. *Mrs. Yvonne Wilkes* was the accompanist for the concert.

## ART FIELD TRIP

Students in the high school art classes visited ArtFields, one of the south's premier art competitions and festivals in Lake City on April 27. The students viewed work by professional artists from throughout the Southeast as well as from students in South Carolina. Taught by *Mrs. Rachel Jones Brown '00*, *Mrs. Renee Norton* & *Mrs. Tara Schumacher*, 17 Wilson Hall students had work accepted for ArtFields Jr., a very selective art competition open to students throughout the state.

# Seventh Grade Travels to Charleston

In conjunction with their history and science classes, sev-

enth grade students visited Charleston County from May 2-4. Students and chaperones spent two nights on the historic USS Yorktown. The decommissioned aircraft carrier is anchored at Patriots Point Naval & Maritime Museum in Mount Pleasant at the mouth of the Cooper River on the Charleston Harbor.

On the ship, students and chaperones slept in traditional Navy berthing compartments and ate meals in one of the galleys. While onboard they heard stories of heroism and experienced behind the scenes of the World War II aircraft carrier. The students also toured a retired destroyer and a submarine.

Also at Patriots Point is the Vietnam Experience Exhibit, a fully immersive two-acre exhibit that brings Marine officers to life through holograms in a 3-D production. Set in a "Brown Water Navy" support base and a U.S. Marine Corps artillery fire base during the Tet Offensive and the Battle of Khe Sanh in 1968, the exhibit features more than a dozen components that simulate life during wartime, including helicopters, a river patrol boat, jeeps, and an ambulance.

The group also visited the Charles Towne Landing State Historic Site, which is situated on a marshy point located off the Ashley River, where a group of English settlers landed in 1670 and established what would become the birthplace of the Carolina colony. Charles Towne Landing introduces visitors to the earliest colonial history of Charleston through interactive hands-on exhibits, including the Adventure, Charleston's only

17th-century replica sailing ship. The grounds include 80 acres of gardens, with

an elegant live oak alley and the historic Legare Waring House.

To further their exposure to historically significant sights, the group took a boat ride to Fort Sumter National Historic Park, located in the Charleston Harbor. The fort is where Confederate forces fired the first shots of the Civil War upon Federal troops, and it would continue to serve as the focal point in Charleston throughout the Civil War.

The group spent a day on a boat tour with Barrier Island Eco-Tours and visited Capers Island where the students studied the ecology and enjoyed lunch on the beach. Scientific process and inquiry skills were promoted and reinforced throughout the field trip as students learned about organisms, habitats, communities, and ecosystems, as well as the environmental and geological factors that influence them.

For the first part of the boat trip, they explored the tidal creeks of the salt marsh and discussed the following topics: spartina grass and its role, plant/animal species identification, adaptations, oyster bed communities, species diversity, marsh hammock ecology, geology of the salt marsh, and the importance of the salt marsh to humans and the Atlantic Ocean.

The second part of the trip was spent on the beach at Capers Island State Heritage Preserve. With over 2,000 acres, Capers Island is a pristine barrier island with a diversity of shells, and the guides provided facts about the lives of the animals which made them. Other topics such as sediments, barrier island formation, sand dune function, loggerhead

sea turtles, erosion and deposition, beach ecology, and the maritime forest were also discussed on the island.

Students hiked a mile-long trail that winds its way through the island before opening onto "bone-yard beach." Along the trail, they passed through different habitats including salt marsh, a freshwater pond, a large brackish water impoundment, the maritime forest, and an extensive dune field. On this path, the guides discussed topics including alligators, bird life/identification, uses of the maritime forest by humans, plant identification, and adaptations.

The trip was coordinated by Mrs. Molly McDuffie and the other chaperones were Mr. Lee Gandy, Mrs. Lori Gandy, Mr. Brent Kaneft '00, Mrs. Allyson Lowder Sanders '96 and Mr. Kurt Wilson.

Mr. Lee Gandy leads a Bible study on the deck of the U.S.S. Yorktown in Patriots Point during the time the students would normally attend the chapel program.

## COLLEGE DECISION DAY

The 66 students in the Class of '23 received acceptances to 87 unique colleges and universities in 24 states and four countries. To celebrate the completion of the college admissions process for seniors, the pennants of each college, with the names of students accepted to the college, are hung in the upper school hallway. Additionally, the seniors gathered before classes began to create sidewalk chalk drawings of their college of choice on the walkway in front of the upper school. Traditionally, colleges complete their decision process by April 1, and seniors are expected to accept or decline their offer of admission by May 1. Mrs. Sarah Smith is the College Counselor.

## State Speed & Strength Competition

Wilson Hall hosted the S.C. Independent School Association State Speed and Strength Competition and five athletes received medals for placing in their weight class. Receiving second place medals were Sumter Cooper '23 and Luke Pedersen '24, and earning medals for third place were Slade Custer '24, Jes Schwedler '23 and Will Singleton '23. The athletes competed in the following events: 40-yard dash, pro-agility shuffle, vertical leap, bench press, broad jump, and power clean lift. The coaches of the speed and strength team are Mr. Adam Jarecki and Mr. Rip Ripley, Assistant Athletic Directors, Mr. Sam Watford '16, Fitness Center Director, and Mr. Kurt Wilson, Assistant Football Coach.

Wilson Hall was voted Best Private School for the 16th year by the readers of The Sumter Item.

## CLASS OF '25 WINS CLASS CHALLENGE

The 25th Class Challenge, a field day for high school students, was held on Spencer Field on April 28. Wearing t-shirts unique to each class, students competed in eight events ranging from traditional activities such as the three-legged race and water balloon toss to the bouncy ball hop and wet sponge relay. The events culminated in the always competitive tug-of-war, followed by students gathering to sing the Alma Mater. The Class of '25 was the overall winner. Student Body President Annabelle Huffman '23, Mrs. Rachel Jones Brown '00 and Mr. Sean Hoskins coordinated the event on behalf of the Student Council.

# JUNIOR-SENIOR PROM

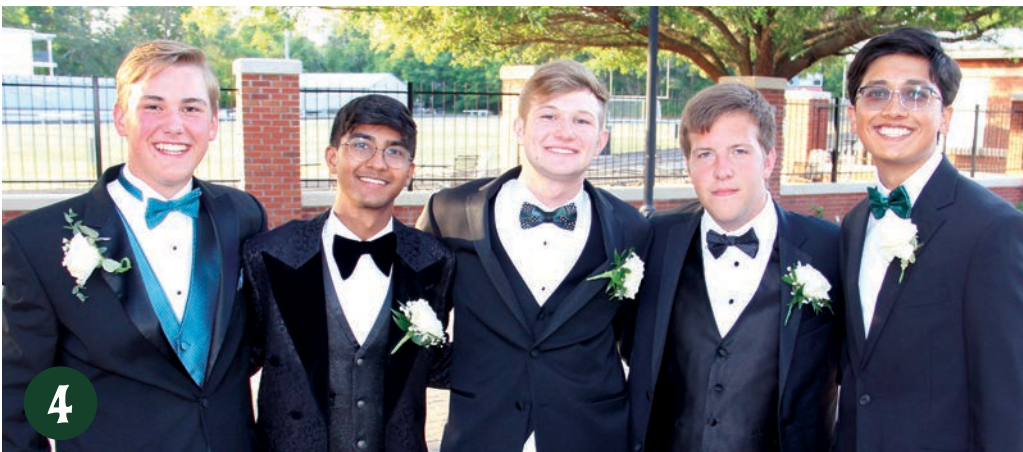

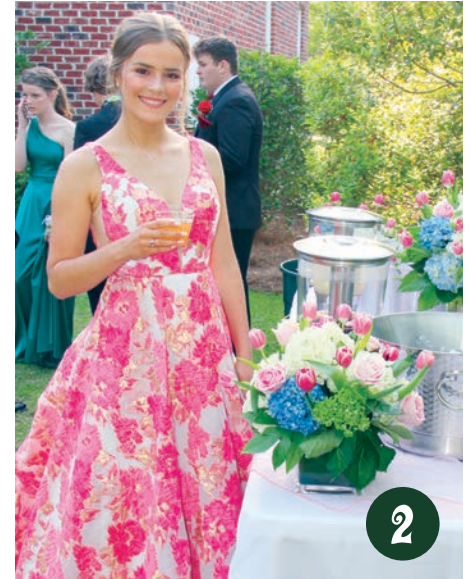

With the theme of Enchanted Forest, the 50th Junior-Senior Prom was held April 21. As guests watched on the lawn, the seniors were introduced during the Grand March under a flower covered archway in front of the Nash Student Center. They processed through the Moulton Center to the Brabham Lobby, then entered the practice gym where the juniors were waiting with applause; they walked under a green & white balloon arch and down a cobblestone walkway lined with flowers and lights.

The curtain was dropped so just half the gym was used and a graphic with the theme was projected onto the curtain. On the sides, to cover the bleachers, were large panels of green gossamer fabric with hundreds of fairy lights. Around the perimeter were dozens of gnomes, toadstools, flowers, and stumps housing fairies. Large, round tables were decorated with green, leafy tablecloths, lanterns & flowers. The Sophomore Servers, dressed as gnomes and fairies, tended the refreshment table.

The Class of '24 sponsored the Prom. *Mary Parish Williams* was the prom committee chair, and co-chairs were *Jennings Frerichs*, *Mary Margaret Griffin* & *Maggie Norris*. *Ms. Julia Gee Muldrow '85* & *Mrs. Erin Smith* were the advisors.

Before the Prom, students and their guests attended either the Senior Prom Dinner, held at *Wilson Frerichs's* home, or Junior Prom Dinner, held at *Mary Parish Williams's* home. Following the Prom, all students were invited to the Prom Breakfast at the Frerichs's home.
