Electronic Attendance Forms

(Due every Wednesday by midnight.)

To ensure the highest standard of safety, staffing, and activity planning, summer attendance is managed on a weekly basis. Every Monday, parents will receive an electronic attendance form via email, which must be submitted no later than **midnight each Wednesday** for the following week. Unlike our school-year procedures, a new sign-up is required for each week your child attends to ensure we have accurate counts for transportation and off-campus excursions. Please note that no changes or revisions can be made after the Wednesday deadline, and **billing will be processed weekly based on your submitted form regardless of actual attendance**. This consistency allows us to properly secure resources and provide a seamless experience for all our students.

2026 Registration Checklist
