Dear Friend,

As Wilson Hall enters its sixth decade and the educational experience for all students continues to expand and progress, the time has come to introduce the Wilson Hall Future Fund, a source of funding for those things which are not big enough for a capital drive but not part of our operating budget. Items falling under that category might include a new bus, updated classrooms, or enhanced academic programs, all things vital to our ongoing effort to fulfill our mission, vision, and values.

To that end, we have established Wilson Hall's inaugural golf tournament, the Wilson Hall Invitational. This event to be held at Quixote Club on Monday, March 31st promises to provide Wilson Hall golfers the opportunity to enjoy a day together at a world-class golfing facility and to support the Future Fund effort at a significant level.

We would like to ask you to consider becoming a sponsor of the Wilson Hall Invitational Golf Tournament at one of the described levels. Your support of this event provides the foundation for a successful experience, as well as an impactful effort for the Wilson Hall Future Fund.

Thank you!
