

Baron Book Club

1st-5th

Reading is such an important aspect of learning that Wilson Hall created the Baron Book Club to reward recreational reading for grades 1-5. Students who meet their reading goals receive special recognition at the end of the school year.

The requirements for membership to the Baron Book Club are a minimum of 1,000 pages for 1st grade, a minimum of 2,000 pages for 2nd – 4th grades, and a minimum of 4,000 pages for 5th grade.

During the summer students are asked to keep a record of the books they read by including the following information: date the book was completed, name of book, number of pages in book, and parent initials. At the end of the summer, please total the number of pages read and submit the record to the teacher when school begins.
